**SALAR DOUBLE SALMON  
BLACK/SILVER/GOLD**  
The new Salar range of hooks designed and used by top Swedish Salmon angler Mikael Frodin. Available in 3 finishes, Black, Silver & Gold. These hooks feature an in-curved point, fine loop 45degree up eye and curved shank. The tapered eye is shaped to allow easy use of the Turtle knot. The combination of traditional and modern technology has enabled us to make this type of eye available again. These hooks are perfect for the devoted fly tier as well as the serious Sea Trout and Salmon angler.

## TUBE DOUBLES

### CS14T/2B,S,G

TUBE DOUBLE

BLACK, GOLD AND SILVER

Increased use of tube flies for fishing has generated the demand for Salar tube double based on the successful Salar Double.

The slightly beaked point secures your catch without losing any striking power.
